The best experience ever!
Captain Lili is the best captain we
could have gotten! Wonderful time!
If (when) we return to Greece we're
definitely requesting you again. Thank
you for all the knowledgeable
suggestions / advice & friendship.
Anna (Ukraine / USA)

The time we spent with Lik was
by far the best experience of our
lives. Greece exceeded all of our
expectations. It felt like we were
in a movie. I think we will have to
return for another trip as soon as
possible, and we know who is the
best man to hire for sailing.

Thank you!

Dear Captain Likourgos,

I had an awesome time traveling with your yacht and with you.

This was the first time I had a Boat Trip. Taking photos, swimming in the beautiful sea, eating the food my mum was cooking, sleeping like a baby, were all ~~the~~ favorite things to do.

I will sure do these things again one day.

Thank you so much

I wish
you the
best

Dear Captain Lik, 13-9-19

It was a great week in the Saronic Islands. Thank you for all you did this week. The experience would not have been the same without you. Captain, tour guide and teacher all in one. Thanks, again. Please look us up if you are ever in the USA.

Dear Captain Lik,

Thank you for being the knowledgeable, skilled captain that you are! You run a tight ship and that is a good thing. We had a wonderful time. You are getting ready to ask us what our favorites from the trip, are and that is going to be a very hard decision! Fair winds and following seas!

Dear Capt. Lik,

From one sailor to another, I appreciate the diligence and care you give to AFEPP, the route planning, the experience, and of course us, your guests. I am keenly aware of how much work it is to make a trip like this, and you helped us enjoy it to the fullest! I wish you luck on your goal of circumnavigating the world in AFEPP. Please call me if you ever need a deck hand! Thank you for the first class treatment and genuine care you showed to us both.
