 CAPTAIN LIK  - JULIA, BRAZIL

CAPTAIN LIK, WE HAD THE GREATEST TIME
 WITH YOU IN YOUR BOAT. IT WAS AMAZING
 TO HAVE OUR FIRST EXPERIENCE ON A SAILBOAT
 DISCOVERING THE AEGEAN SEA WITH YOU!

THANK YOU FOR EVERYTHING! - VINICIUS, BRAZIL

Dear Captain Lik,

Thank you for your kindness,
Your kitchen is like a restaurant with
all the tools that are needed for cooking
that made our diners and lunch
a great time.

I hope to come back with all my
friends

Dear Captain Ah,

We had a great time on the Ayer! I
loved the swimming spots and being
able to drive the boat! It is a
very well maintained vessel, every
thing works perfectly.

I hope you'll keep on sailing
many many years more.

Be careful of the BERNOLLI effect! Lol.

Thank you for everything.

Dear Cpt Lili & Ava,

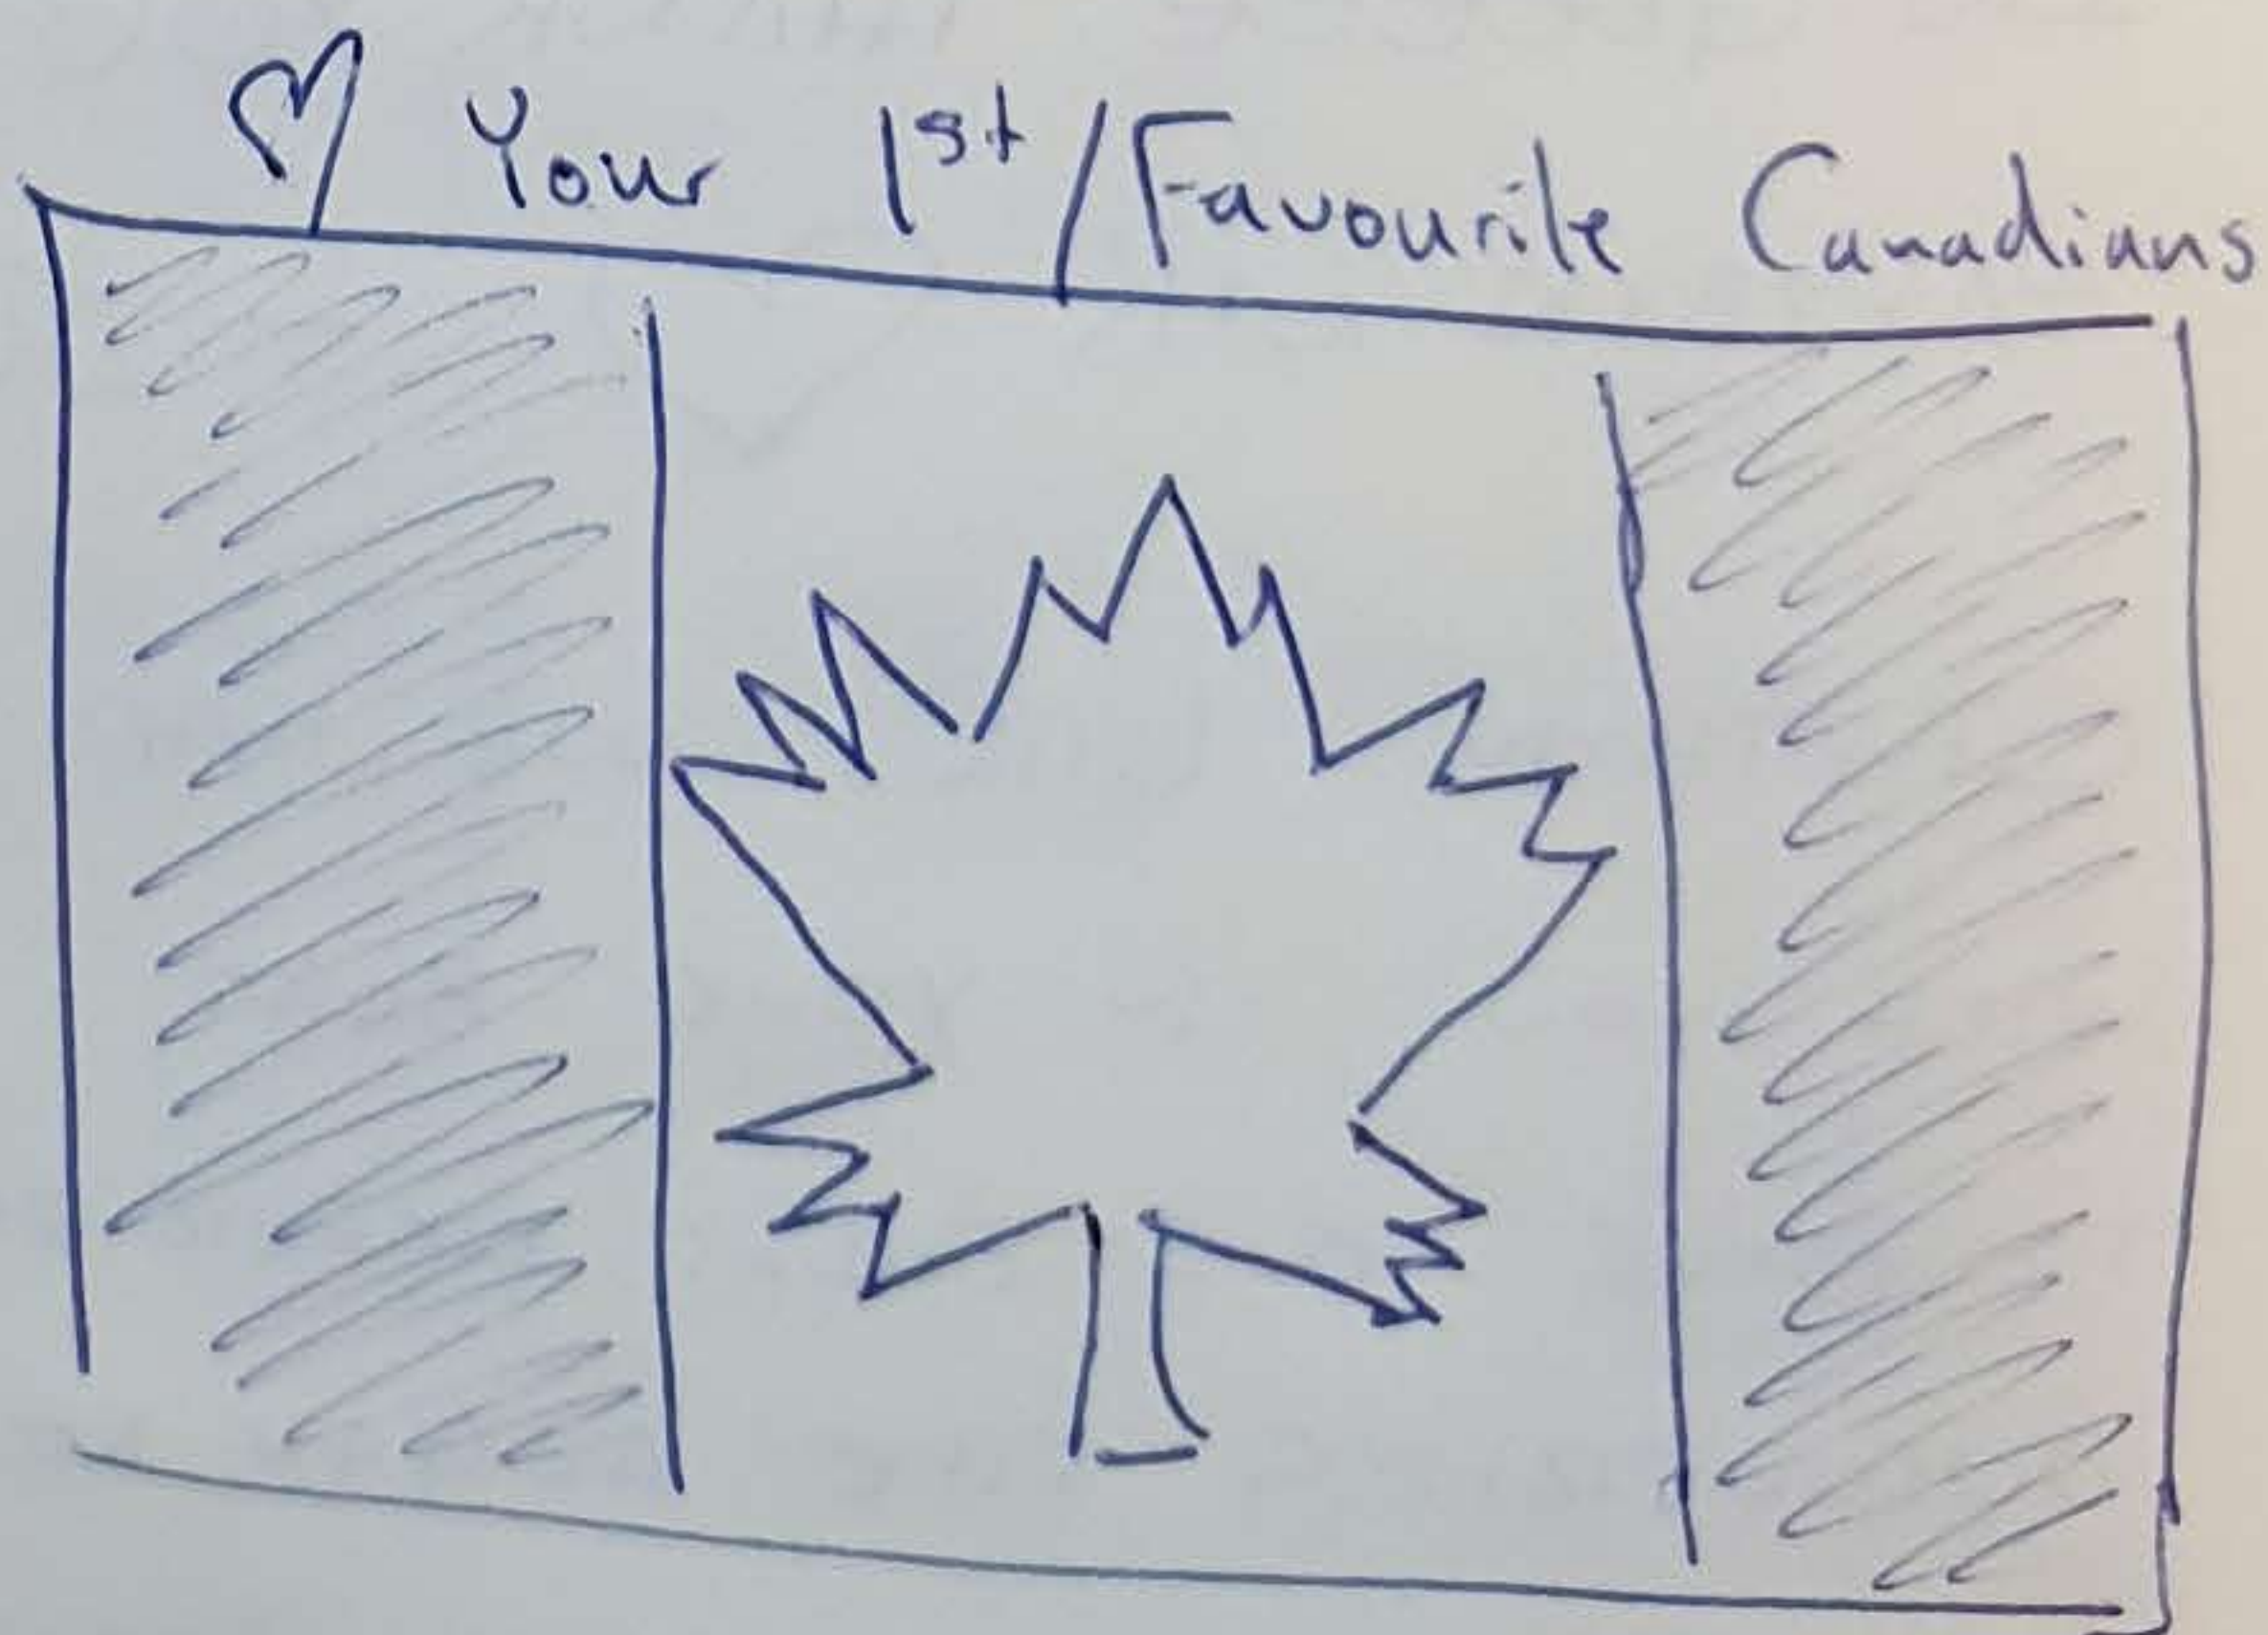

Aug 28/2022 ♡♡

Thank you for the fantastic sailing trip through the Cyclades!
We loved all of the swimming spots, beautiful views,
and the delicious meals. Next time we will bring
you edible donuts, not just inflatable ones.

And I would prefer tzakiki with every
meal... including breakfast. Can you please
take us fishing next time? Also if you sail from
Crete → Alexandria again, we want to come.
Love your crispy red Irish man and lovely
bronzed / tanned Italian wife.

You are our favourite
"drunk captain".
